

03-NOW what? ...consider

Rev. Paul N. Woodburn

Read the book of Haggai

(it's only 2 chapters)

1. What stands out to you as you read it? What might this prophetic word mean for First Alliance right now?
2. When it comes to faithful service, what excuses have you used in the past?
3. What excuses are keeping you from getting involved in obedient service in the present?

Pastor PWoody talked about making God the priority ***IN*** every area of life (not just over all but ***IN*** all).

4. How does that affect your reading of **Matthew 6:25-33**?
5. How do you set your priorities?
6. What is your priority when you come to church?
7. If I were to ask those closest to you what your priorities are would they give the same answer as you?
8. Have you seen God's hand at work in the past 2-3 years?
9. What do think God has been at work accomplishing in First Alliance Church in the last 2-3 years?
